WELCOME TO ST. MARYS

WHERE HISTORY MEETS MODERN ADVENTURES

www.discoverstmarys.ca

The Town of St. Marys acknowledges that it is located on the traditional territory of the Haudenosaunee, Anishinaabe, and Ojibway/Chippewa peoples. This area is within the boundaries covered by Treaty 29, known as the Huron Tract Purchase, and is protected by the Dish With One Spoon wampum agreement. Today, many Indigenous peoples continue to call this land home and act as its stewards. We are grateful to have the opportunity to live and work on this territory.

Welcome from the Mayor

Come experience the charm of St. Marys at one of our beloved annual events! Throughout the year, our Stonetown comes alive with seasonal celebrations that showcase our community spirit. From the lively Stonetown Heritage Festival and Canada Day festivities to a St. Marys Community Players production, the Canadian Baseball Hall of Fame Induction Weekend, and our WinterLights celebration with its outdoor winter vendor night market, there's always something special happening.

Take a stroll through our historic downtown, where you'll find unique shops and friendly merchants ready to welcome you. Grab a bite at one of our eateries, many of which serve locally sourced food and drinks. Enjoy a locally crafted beer at Broken Rail Brewing, housed in a restored railway station, blending history with great brews, and it's pet friendly! Art lovers can stop by The Station Gallery, a vibrant exhibition space showcasing local and regional artists.

As you explore, soak in the stunning limestone architecture—a true testament to St. Marys' rich history. History buffs will love the St. Marys Museum, where exhibits bring our past to life. If you're more of an outdoor adventurer, hit the trails for a scenic walk or bike ride, paddle along the Thames River and Trout Creek, or cool off with a swim in Canada's largest freshwater swimming pool, the St. Marys Quarry.

Our parks offer the perfect backdrop for a relaxing picnic, while the seasonal Farmers' Market tempts you with fresh produce and handcrafted goods from local producers and artisans.

Whether you're here for a day or a longer stay, the warmth and hospitality of St. Marys will make every visit unforgettable!

History of St. Marys

Nestled along the banks of the Thames River, St. Marys boasts a rich and vibrant history that dates back to the mid-19th century. Known as "The Stonetown" for its limestone architecture, the town's early days were marked by rapid growth and development. European settlers arrived in St. Marys in the 1840s; St. Marys was incorporated into a town in 1863.

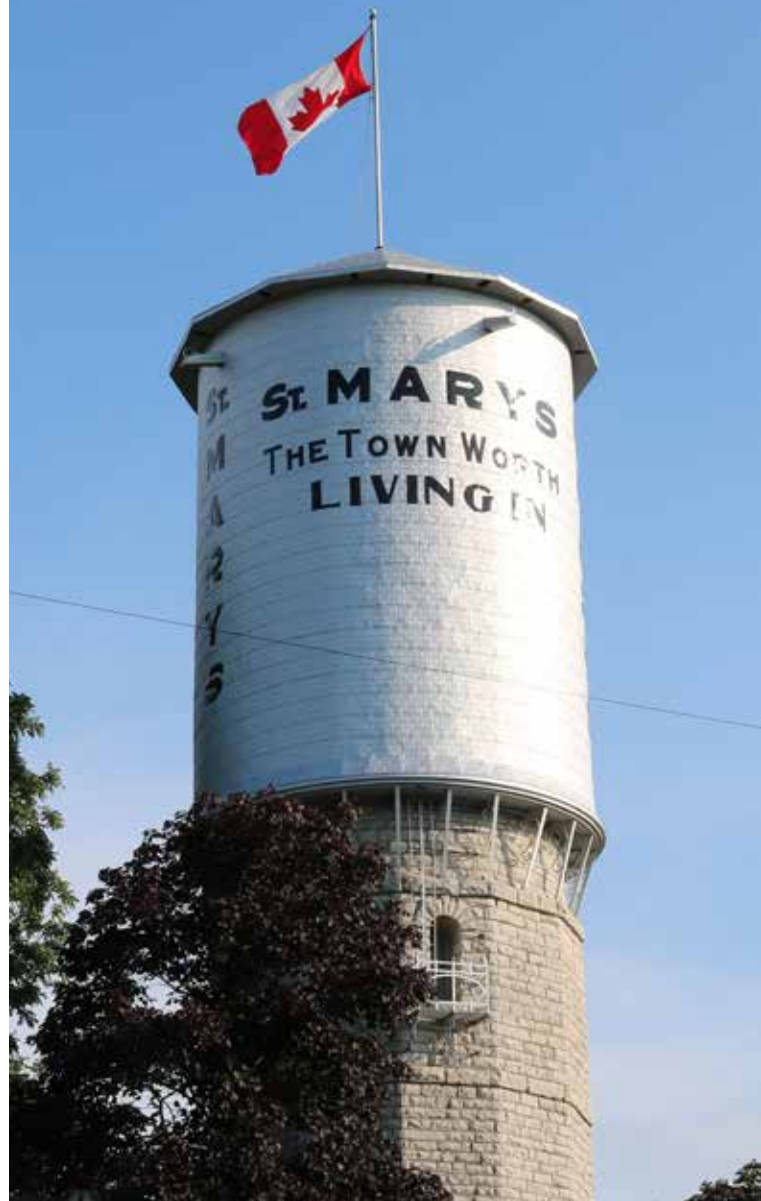

The arrival of the Grand Trunk Railway in the late 1850s spurred growth and soon St. Marys became a centre for milling, grain-trading and the manufacture of agriculture-related products. The railway connected the town to the rest of the world and framed the local landscape with its two large trestle bridges on limestone pillars across the waterways.

Prominent among its pioneers were the Eatons, a family whose entrepreneurial spirit helped shape the local economy. Timothy Eaton, who later founded the iconic Eaton's department store, kicked off his illustrious career in retail here in St. Marys and nearby Kirkton.

Adding to the town's history is the remarkable Kathleen Rice, an adventurous spirit who made significant contributions to the town's cultural and social landscape. A teacher and prospector, Rice's daring expeditions in northern Canada left an indelible mark, inspiring future generations with tales of resilience and exploration.

St. Marys' historical charm is further exemplified by its well-preserved heritage buildings, museums, and cultural festivals, making it a must-visit destination for history enthusiasts.

The community's rich history is preserved and promoted by the St. Marys Museum & Archives who continue to tell the stories of the town through its exhibitions, special events and programs.

St. Marys Station Gallery is a bustling hub of artistic activity found in the beautiful and fully functioning VIA Rail train station at 5 James Street North. Exhibitions of artworks by local, national, and international artists, adorn the walls of this space - with 7 exhibitions taking place on average throughout each year.

In 2025, Cameron Porteous (former Head of Design at the Shaw Festival) completed his tenure as curator and director of the gallery. His successor, Duncan MacDonald, brings with him a wide range of artistic, curatorial, and educational experience to the gallery. Starting this year, the gallery is happy to offer art education for all ages in its adjacent studio space beyond its normal exhibition programming.

From March 1st until April 12th, Station Gallery hosts an exhibition of art by youth from two local schools (Little Falls and South Perth Centennial).

From April 18th to May 24th, a group exhibition by local artists entitled Hidden in Plain View will take place. Artists included are Krista Beckett, Annette Goodale, Renee Knight, Anna Koot, and Chantelle Marshall.

BREWING UP HISTORY

IN ST. MARYS

Have you checked out St. Marys first (and only) brewery yet?

Located in the historic St. Marys Junction Railway Station—built back in 1858 for the Grand Trunk Railway—Broken Rail Brewing is all about keeping the story of this iconic spot alive. And what better way to do that than with some seriously good beer?

Swing by for a pint, soak in the history, and see why this hidden gem is a must-visit in St. Marys!

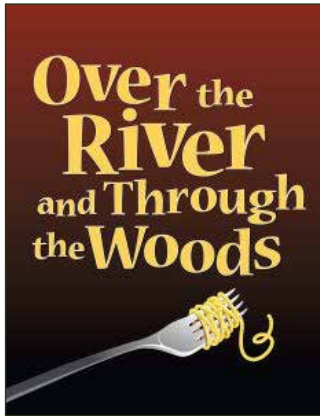

St. Marys Community Players

In the Spring, we're looking into the power of love to overcome obstacles and the transformative journey of self-discovery with our production of *Over the River and Through the Woods*. Or.. how do you deal with your own life when two sets of grandparents love?

Performances begin April 24 to May 10, 2025

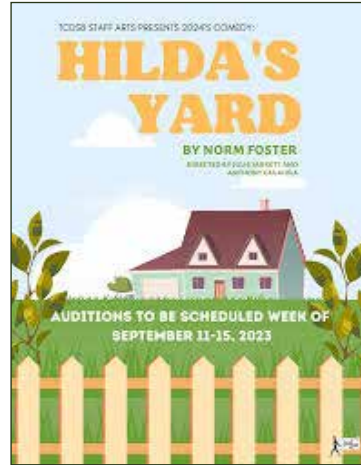

"*Over the River and Through the Woods*" is a heartwarming comedy about family, love, and the challenges of change and moving on. The play follows Nick, a single Italian-American man in his late 20s- early 30s, who faces pressure from his loving but overbearing grandparents to find a girlfriend and settle down. When he announces that he's been offered a dream job on the other side of the country, his grandparents go to great lengths to convince him to stay, including setting him up on a series of blind dates with eligible young women. As Nick navigates the ups and downs of family dynamics and romantic relationships, he learns valuable lessons about the importance of love, sacrifice, and the enduring bonds of family.

Our Fall brings a Norm Foster classic: *Hilda's Yard*. A life view from a wife and husband, a new TV, empty nester happiness, then, literally, your two grown-up kids fall back, over the fence, into your yard, your new life, with issues. Sound familiar? We think so.

Performances begin October 15 to November 2, 2025

"*Hilda's Yard*" is a comedic play by Canadian playwright Norm Foster. Set in the 1950s, the play follows the Fluck family as they navigate the challenges of everyday life. When their two adult children unexpectedly move back home, Hilda and Sam Fluck are dealing with a full house again. As the family members come to terms with their new living arrangements, they must confront their struggles and relationships. Filled with humour and heart and in typical Norm Foster form, 'Hilda's Yard' explores the complexities of family dynamics and the enduring bonds that hold them together.

Sports and Recreation

St. Marys offers diverse indoor and outdoor recreation amenities. Whether you're a spectator, participant, or visitor, enjoy our natural and built attractions.

Pyramid Recreation Centre

If you're in St. Marys and seeking indoor activities, the Pyramid Recreation Centre (PRC) has much to offer. With a twin-pad ice facility, you can enjoy hockey, ringette, skating, and our local Junior B team the St. Marys Lincolns. During the summer, the dry arena pads host camps and other programs.

The PRC also includes an indoor aquatic centre with a 25-metre pool, sauna, and spray area for kids. Participate in drop-in swims, lane swimming, aquafit, and registered swimming lessons.

For dry activities, the PRC provides a community hall and multi-purpose rooms for events like birthday parties, team gatherings, recreational activities, and corporate events.

Outdoor Sports Facilities

St. Marys offers a variety of recreational amenities for visitors. The town boasts soccer fields and ball diamonds for all ages, open for public use when not reserved by local clubs.

For those seeking a more relaxing experience, enjoy scenic trails, waterfront views, and public parks with shaded pavilions and gazebos. For the more active, there are playgrounds, a splash pad at Cadzow Park, and the Rotary All Wheels Park for skateboarding, BMX, and more.

Visitors with pets can visit Junction Station Dog Park, conveniently located next to our local craft brewery. The town also offers hard surface racket courts for tennis and pickleball, with free equipment loans available from the St. Marys Public Library. The courts are near the historic St. Marys Quarry and Lind Sportsplex, which hosts curling in winter and a natural swimming area in this summer.

The beauty of St. Marys' trails and waterways

By Stewart Grant

One of the best ways to experience St. Marys like a local is to enjoy the trails and waterways that meander through the town limits.

Trails

The 3.2 km Grand Trunk Trail, created from the old railway line of the same name, extends from east to west, with the panoramic highlight of the trip occurring atop the Sarnia Bridge where travelers often stop for a breather and admire the picturesque downtown to the south or the peaceful countryside to the north.

The Riverview Walkway, measuring 2.4 km, begins in the centre of town and follows the Thames River southward to the active racket courts and swimming quarry.

The Loop Trail, hitting all corners of St. Marys, is a full 13 km roundtrip trail that

includes the Grand Trunk Trail, Riverview Walkway, as well as other scenic parts of town.

Wherever you walk along St. Marys' trails, be prepared for friendly greetings or nods from the locals. It's our small-town way.

Waterways

A unique way to see St. Marys is by kayak, and it's never been easier thanks to the Yak Shack (kayak loan program) for more information visit discoverstmarys.ca/yakshack, along with the newly installed accessible dock in Milt Dunnell Field.

As you glide down the Thames River or Trout Creek, enjoy the view of the Stonetown's trademark limestone architecture, pass underneath iconic bridges, and savour nature in its purest form.

Like the trails, the waterways are another place where the locals will make you feel more than welcome. Expect a friendly wave as you pass them by.

We grow flowers for you.

We specialize in growing in-season flowers for every season and celebration of your life with over 120 floral varieties growing right here on our farm throughout the year.

St. Marys area features 54 holes of golf

(ST. MARYS GOLF & COUNTRY CLUB / SOCIAL THIRTY-ONE / LITTLE BIG CREATIVE PHOTOGRAPHY PHOTO)

St. Marys and area offers three unique, picturesque and challenging golf courses to intrigue players of all abilities.

The St. Marys Golf & Country Club, founded in 1931, is a par-72 that stretches out to 6,567 yards from the back tees.

"Located along the beautiful Thames River, the course prides itself on its spectacular views highlighted by incredible rolling hills, natural creeks and mature trees. The challenging, yet forgiving, course layout welcomes all types of players, from beginners to avid golfers," says Brandon De Groote, Director of Golf Operations. The Club also offers a first-class restaurant, Social Thirty-One, and an inviting patio. Weddings are often held on the picturesque grounds with receptions in one of the facilities' banquet halls.

Science Hill Country Club, opened in 1976, remains one of Southwestern Ontario's best-kept secrets. Located in the countryside just a few minutes

northwest of St. Marys on Road 137, Science Hill is a par-70 course measuring 5,900 yards from the tips. New ownership has made many improvements, "including the updated Taps On The Thames Restaurant at the clubhouse. From lunch, casual dining, live entertainment on the patio, or special occasion bookings, Taps has it all. Call for reservations or come in and enjoy one of the nicest patios in the area.

Just a short drive from St. Marys, River Valley Golf & Country Club is located on a very scenic and undulating parcel of land which is popular for all seasons - in the warm months as a golf course and in the winter months as a tube slide venue. Co-owner/operator David Tkachuk says of the par-65, 4,734 yard course, "The rolling hills and valleys offer beautiful views of the surrounding landscape. The golf course has lots of elevation that will challenge all playing levels." River Valley has a Grand Hall for banquets, a restaurant, and spacious outdoor deck area.

The St. Marys Junior B Lincolns play home games at our multi-purpose active-living facility known as the Pyramid Recreation Centre. In 2024 they celebrated with the Bill Weir Trophy (Western Conference champions) while in 2025 they seek the GOJHL's top prize, the Sutherland Cup.
